

COME VERIFICARE LA VERSIONE DI E/

E' possibile individuare la release corrente nella maschera di accesso ad E/.

The screenshot shows the login interface for E/. In the top right corner, a box displays the release version: "Release 02.19.11.00". Below this, there is a checkbox labeled "Accedi con TeamSystem ID". Underneath the checkbox, there are two input fields: "Utente" (User) with the value "adme" and "Password" (Password) which is currently empty.
